To Whom It May Concern:

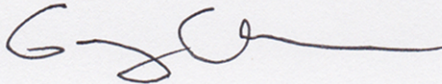

I consider it a privilege to write this letter of recommendation for Steve Hample. I have known Steve as a friend for more than 10 years and have also had the opportunity to work along side of him on various projects and other endeavors, both as a co-laborer and also in a supervisory capacity.

Steve is a gifted individual in a variety of ways. He embraces the technical as well as the relational with equal passion and that can be very rare to find. He is as comfortable working in media production as well as being an excellent team player. I believe that Steve would be an asset to your organization, as he brings a tremendous amount of energy and enthusiasm to his tasks. He is a very bright and qualified individual, and a pleasure to work with.

During my time with Steve, he has been efficient, professional, well organized, and again a tremendous team leader and supervisor. He certainly has my highest recommendation for the position of media specialist within your organization.

Please feel free to contact me at 856-466-3366 if you need any addition information or clarification.

Sincerely,

Gary Clark
